I hope this month’s SLATE finds you and your family doing well. First and foremost, it was nice to take time out last week to acknowledge all of our staff during National Educators Week. Our students truly benefit from the impact made by the teachers and staff at Sevastopol Elementary School and across the district – especially during such a challenging year. Thank you so much for your support of their efforts. I also wanted to wish you and your family well this summer. It will be an exciting return in the fall as we begin using the new building.

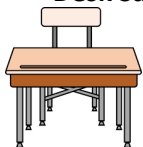

Notes

Memory Books: There are some additional Memory Books on sale in the Elementary Office. They cost \$ 22 each. Please see Missy if you are interested.

Last Day of School – Just a reminder that the last day of school this year is May 21.

Desk Sale: Now that everyone has had a chance to purchase a desk, it is possible for families to purchase more than one. If you would like additional desks please complete the attached form and submit payment to your child(ren)’s homeroom teacher. We will accept cash. If you’d rather pay by check, please make it payable to Sevastopol School District.

Summer Bridge Workbooks – As we did last year, we will be providing a workbook filled with activities and learning for each student free of charge. Students that complete the books and bring them back in the fall will get a certificate acknowledging the completed work and they will have their name entered into a drawing.

Trees for Tomorrow: A special thank you to Jimmy John’s for running a fund raiser to benefit the students who will be attending the Trees for Tomorrow trip in the fall. And a thank you to those who took part in the event. They were able to raise \$385.00.

PTO Carnival: Thank you to the PTO for sponsoring a Carnival event for our students the last day of school (May 21). School is about learning, but it is also about experiences and it is wonderful to provide kids with a positive experience to finish off this year! The event is for the students only, due to Covid restrictions we are limiting outside participation to approved volunteers only. **Thank you as well to these businesses for supporting this event.**
