Special Thanks To...

Keven Kocher and the stage crew for their work tonight. The custodial staff for helping to make all events clean and safe. The security guards for keeping our building safe. All of the band parents and officers for the tireless and often thankless work that they do for our band students. The teacher staff at the middle and high school for being flexible this week. The students for all of the hard work that they have done this year.

Thanks again to everyone here tonight for supporting our students And for continuing to make music performance an integral part of the education at West Mifflin Area School District.

Next performance is at Magic Kingdom on February 26th at 12:45.
