CB Families:

With the weather forecast not being so great tomorrow, Van Dyke Photography has postponed pictures for remote students until Thursday from 10-12 at Clara Barton. Van Dyke will also open their studio on Thursday from 3-6 for any make-up photo sessions from today or Thursday morning. Call Van Dyke at 412-445-7683 to make an appointment for the later afternoon session at their studio.

Thursday’s Gold Group pictures are still on as scheduled.

In addition to this phone call, this message will also be emailed, posted to our Facebook page, and our Schoology page. If you do not receive the email, please check your Junk and/or Spam folder. If you find it there, drag it to your inbox. This should allow future emails to go directly to your inbox.

Finally, on Friday/Gold Group and Monday/Blue Group, will be conducting an intruder drill to comply with federal mandates. The blue point system will be used to conduct our drill. The blue point will announce that an intruder is in the building and students should report to their safe areas in the classroom. Since this is only a drill, we will not actually report to the safe zone so that we do not risk compromising a safe social distance. We will also discuss with students the ALICE safety procedures (Alert, Lockdown, Inform, Counter, Evacuate).
information about ALICE can be found under the Safety tab of the West Mifflin Area Clara Barton web page. All of the information will be taught at an elementary level to ensure that children feel safe and comfortable. If you would like your child to opt out of the presentation or drill, please let your child’s homeroom teacher know before they come to school.

Sincerely,

Brian P. Plichta
