December can be a month of celebration. Whether it’s Hanukkah, Christmas, Kwanzaa, Ehed, Rhamadan, the winter solstice, or Santa Claus, there are as many ways to celebrate as there are families. Whatever the celebration, it will often mean gift giving, decorating, and special food. When you talk with your child during these special activities, they learn even more!

Try these activities, songs, books, and crafts to help your child learn. Speak, sing, and talk about books with your child in your own language.

**Activities**

**Traditions**
Talk about the traditions you have in your family. Take time to include your child in these traditions. Explain what each tradition means, and why it is important to your family.

**Decorating the house**
Let your child help you decorate.

- Help him put the unbreakable ornaments where he can reach - on the bottom of the tree.
- Talk about the ornaments as you hang them up – *Where did you get them? What do they look like? What colour are they? Who made them?*
- Use place words – *up, down, high, low, under,* or *beside.*
- Use new words – *branches, sap, needles, hooks, tinsel, garland,* or *twinkling lights.*
- Help your child make his own ornaments and hang them around the house.

**Wrapping gifts**
With your help she can get the tape ready, cut the ribbon, and write the names on the tags.

- Talk about how the tape is *sticky* and the ribbon is *shiny.*
- Talk about the size of the box and paper.
- Let her chose one of her crafts or toys to wrap and give away.

**Concerts**
Most communities, schools, or churches have holiday concerts for children. Look for one in your area.

- Talk about the things you see on the stage.
- Talk about the songs and instruments you hear.
- Talk about the play or story.
- Ask your child what they think will happen next.

**Holiday lights**
Take a walk or drive through your area and look at all the pretty lights and decorations.

- Talk about the different decorations – snowmen, angels, Santa, or candles.
- Talk about which lights you like best and why.
- Visit a local light display.
**Songs and rhymes**

*(A Christmas version)*  
Are you sleeping?

Or I’ll tell, or I’ll tell.

Santa Claus is coming.  
Hear his bells,  
Hear his bells.

**Shake and make stars**

*from www.wondertime.go.com*

**Materials needed**

- 2-3 tablespoons of white glue  
- Sealable sandwich bags  
- Metal cookie cutter  
- Small paintbrush or wooden skewer  
- 2 tablespoons or more of glitter  
- 10 to 12 inches of ribbon or string  
- Waxed paper

**Instructions**

Squirt the glue into a sandwich bag.  
Add a cookie cutter (we used a star), seal the bag, and have your child spread glue over every inch of the cookie cutter. Then use the paintbrush or skewer to get the glue into the tips, points, or hard-to-reach spots on the cookie cutter.  
Put the glitter in a second bag and drop in the glue-covered cookie cutter. Seal the bag.  
Have your child shake the bag until the cookie cutter is covered with glitter.  
Remove the cookie cutter from the bag and set on waxed paper to dry completely, about a day.  
Gently tap off any excess glitter. Tie a ribbon or string at the top and hang the ornament. Repeat with as many cookie cutters as you wish.

**Soft sugar cookies**

1 cup butter  
1½ cups sugar  
2 eggs  
1 teaspoon vanilla flavouring  
1 teaspoon almond flavouring  
¾ cup milk  
4 cups flour  
2½ teaspoons baking powder  
1 teaspoon salt

Cream together butter and sugar until light and fluffy. Mix in eggs, vanilla, and almond flavouring. Add milk and mix well. Sift together flour, baking powder, and salt. Gradually add flour mixture and mix well. Shape dough into a ball and cover with plastic. Refrigerate overnight. Roll dough to desired thickness and cut with favourite cookie cutters. Bake in a 350°F oven for 8–10 minutes. Let cool and decorate with your favourite icing.
