

FORT HANCOCK INDEPENDENT SCHOOL DISTRICT
"Success for All"

Community Update March 31st

Fort Hancock ISD will join other school districts throughout the state in remaining closed until at least Monday, May 4, as part of Texas Governor Greg Abbott's extended executive order he signed this afternoon in an effort to continue to limit the spread of the coronavirus (COVID-19).

Please know that throughout the course of our closing, curbside meal pickups will still be offered each weekday, remote learning will continue to take place on the school's website, and school auxiliary staff will continue to thoroughly disinfect our campuses and facilities. The Centers for Disease Control and Prevention has outlined the need for all communities to implement a social distancing protocol.

Again, Fort Hancock ISD schools will remain closed until at least Monday, May 4. For the most up-to-date information, please continue to follow us on our district website at www.fhisd.net as well as our Facebook page.

Let's continue to remain #MustangStrong!
